OUR MISSION
Casa de Esperanza de los Niños strives to break the cycle of child abuse and neglect for at-risk infants, children and their families, by providing comprehensive residential and family support programs that transform people and communities.

A STORY OF HOPE
The only reason a child comes to Casa de Esperanza is because they are not safe. They are scared in ways that those of us who had a well protected childhood will never fully understand. The children that come to Casa de Esperanza are afraid that at any moment they will be homeless, hungry, hurt or alone. The open doors at Casa de Esperanza represent not only food and shelter, but a place where a child does not have to be afraid...a place of HOPE.
